

Notes from Roads meeting – 23rd June 2026

A12 – Sizewell roads during Latitude – response from Sizewell

We are working closely with the organisers to understand their peaks and traffic management strategies. We will reduce our demand on the road during these times, there are no planned road closures along the routes of Latitude traffic either.

Richard

To keep track of the traffic management and or road closures, we recommend that you share the Sizewell C works tracker with members of the local community: [Sizewell C Works Tracker - Track SZC Projects & Get Alerts for New Activities](#)

Traffic enforcement May Bank Holiday Monday = Nil

Suggest STC consider looking into the powers and costs of a self funded PCSO (as had previously).

Ferry Road – disabled space – STC to erect a sign

20 MPH for all the town – SCC will see if this would now fit with their new policy and let us know.

Brown sign for Boating lake – street column is being assessed by SCC.

Field Stile Road corner – signs to highlight that this is by a childrens play ground – SCC assessing and will come back to us. Cost in region of £800. Will then apply to SCC ward cllr budget – which is £15k over 2 years for 21 parishes = £375 per parish per year.

Gap in hedge by churchyard – ask church to put gate back on.

Next meeting – 22nd Sept at 10.30am
