3	Standing Orders- public section.	Jan Orchard attended to discuss the maintenance of Electricity Green and the planter outside Craftco. Mrs Orchard has volunteered throughout the summer to assist with the maintenance of both and is offering to continue throughout the winter. The planter will require new items for the autumn and Mrs Orchard provided suggestions of appropriate plants. Discussion took place and it was agreed that Robert Beevor from Hillside Nurseries be asked to quote for cost of plants and compost. Mrs Orchard asked that it be noted that she had received donations of plants/ money to purchase plants for Electricity Green.	LJB
4	Environmental matters – timelines and completion dates	 Common/Marshes mgt plan. Suffolk Wildlife Trust will be meeting councillors on 14th September to confirm the brief for the report and to start gathering information. Subsequently – meeting took place with SWT – they would hope to be able to; hold a public meeting in November 2018, collect data and meet stakeholders over the next 6 months, and have a final report available July 2019. Marshes Drainage Works – Cllr Rowan Robinson presented the list of drainage works and updated members on each. Priority works are the ditches around the Pony marshes/ allotments and Millennium car park. 2 quotes now received for these works – these to be referred to Finance cttee as they exceed the delegated L and E budget for drainage works. Cllr Ladd advised that the Millennium Trust are commissioning a Flood Risk Assessment on their land report – and will make a copy available to the Town Council.
