## **National Grid Ventures LionLink Supplementary Non-Statutory Consultation – Friday 8 September 2023 – Friday 3 November 2023**

Dear Parish Clerk/Chair,

Further to our correspondence earlier this month, we will be holding a **supplementary non-statutory consultation** on the alternative Southwold underground cable corridor and Walberswick landfall site, which have been identified. This supplementary consultation process is primarily focused on the new alternative options. We welcome comments and feedback on other options, particularly if you were not able to provide feedback last year.

**This consultation will be taking place for eight weeks from Friday 8 September 2023 – Friday 3 November 2023.** Feedback received will help us identify our preferred locations for cable routes, and landfall and converter station sites.

There will be three in-person exhibition events (see details below) and a dedicated project website, which will host digital version of the exhibition materials and feedback forms:

  - Date: Friday 22 September 2023
  - Time: 14:00 - 20:00
