

SOUTHWOLD TOWN COUNCIL

APPLICATIONS FOR DEVELOPMENT PERMISSION

UNDER THE PLANNING ACTS

The following applications for planning permission have been received and are available for inspection, in the reception area of the Town Hall, Southwold, by Ratepayers or their authorised representatives.

Any Ratepayer wishing to make representations on any of the following applications, must do so in writing addressed to Waveney District Council, 4 Riverside, Lowestoft, NR33 0EQ, with a copy being sent to Southwold Town Council.

- 1) DC/18/4504/FUL – Reinstatement of cobble wall and construction of bin store, 14 Cumberland Road, for Mr A Bompas.
- 2) DC/18/4500/FUL - Replacement of the second floor window with French doors with clerestory over, 48B Stradbroke Road, for Ms F Elks.
- 3) DC/18/4529TCA – To the rear of the property is a large Eucalyptus tree that spans across the neighbours garden to the East and over the Adnams Cellar shop car park to the north. We are seeking permission to reduce this tree by a third overall due to concerns for the car park users, and to control the growth over the neighbouring out buildings and wall at the rear of both of the properties. This reduction in turn would also allow for more light to be gained in both the clients and neighbours gardens which are becoming increasingly overshadowed by the trees canopy, 34 High Street, for Mr G Scilly.
- 4) DC/18/4593/LBC & DC/18/4594/ADN – Listed Building Consent – Non Illuminated Advertisement Consent – Various wall signs, Kings Head Public House, 25 High Street, for Mr M Aldred.
- 5) DC/18/4484/FUL – Use of residential annexe, 6a East Green, as a separate dwelling, 6A East Green, for Mr & Mrs Sagin.
- 6) DC/18/4431/FUL – Remove cement render to façade (due to water ingress). Make good brickwork, repair and repaint with Kiem Soldalit exterior breathable paint. Replace guttering and downpipes with new galvanised pipework, The snug, 5 Lorne Road, for Mr A Reith.
- 7) DC/18/4377/TCA – Front garden – T1 Beech – reduce laterals all round by 1-2m and clean out. Reason: general maintenance pruning, Forest Lodge, Godyll Road, for Mr T Perkins.

All plans may be viewed online at www.waveney.gov.uk/publicaccess.

These plans will be considered by the Town Council at the Planning Cttee meeting on 20th November 2018 at 7pm.
